

AQUA THERAPY CANCELATION POLICY

Due to the fact that this pool requires fixed costs for booking (rental fees, life guard wages) I have little choice but to have a very strict cancelation policy. I have kept the numbers of participants and costs low for everyone to benefit. Once you are registered there is no cancelation or changes allowed unless I am able to replace you with another participant. I do understand that unforeseen medical issues do arise. Please let me know as soon as possible and I will attempt to replace you. In the event that I can not fill your spot full charge will be charged
